5. New Business

5-1. Property Line Adjustment - Kyle Miller - 4103 Highplains Drive

Decision Kyle Miller of 4103 Highplains Drive was present to explain the property line adjustment. He said that they came in a year ago for a lot line adjustment due to the fence. The fence that was built was not built in a straight line. A sliver of their property is behind my fence, so we are readjusting to property line to match the fence line. Luke Moffitt asked if they are moving the line by a few feet. Kyle Miller affirmed that this was correct stating the back corner will stay where it was and the front will be moved about 4 feet. Luke Moffitt said that it looks like the plots are 1.29 acres and 1.33 before the change and each will be 1.31 acres now which is still larger than the 1 acres minimum lot size.

Terry Talbott made a motion that we accept the property line adjustment as presented.

Ray Webb seconded the motion.

The motion passed unanimously.

5-2. Public Hearing - Master Street Plan

Decision Chairman, Tracy Englebrecht explained that the Master Street Plan has been hanging on the wall this past month for public view. Letters were sent out to the individuals that were present at the past hearings concerning this proposed plan. He also said that he met with several individuals for discussion during the hours that he set aside which were detailed in the letter and the website. The floor was opened for public comment. There was no public comments. Public comments were closed.

Luke Moffitt made a motion to approve the Master Street Plan as presented.

Terry Talbott seconded the motion.

The motion passed unanimously.

5-3. Public Hearing - Land Use Plan

Decision Chairman, Tracy Englebrecht moved on to the public hearing for the Land Use Plan. He opened the floor for public comments. Ryan Peterson of 2131 N. Woods Lane spoke. He appreciated the process that the group went through by having conversations with individuals and putting the maps out there for the people to see. " I appreciate the one on one conversations with us and taking the time to communicate about this," he said. David Montgomery of Montgomery Lane spoke. He said that he appreciated getting a letter and being able to come up here to talk to Tracy. "I'm pleased with the plan and just wanted to express that," David said. Tony Wagoner of Rustic Drive spoke. He said that he had been looking at some old planning maps and had a question that would probably be something for the City Attorney. He wondered if an Agriculturally zoned portion of property could be rezoned to an R-1, R-2, or R-3. Tracy Englebrecht asked if he had comments about the Land Use Plan and told Tony Wagoner that he would be happy to address his question after the meeting. Tony asked if the City Attorney was present. Tracy Englebrecht told him that the attorney was not here. Public comments were closed. Terry Tallbott made a motion to approve the Land Use Plan as presented. Keith Ramsey seconded the motion. The motion passed unanimously. Luke Moffitt thanked Tracy Englebrecht for putting this process together and handling it in the manner in which it was done. Other planning commissioners agreed and thanked Tracy.
