All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. I understand inspections by City Inspectors will be made only to determine compliance with construction codes and not to assist the owner in properly locating the structure. I acknowledge my responsibility to insure, by boundary line survey if necessary, that the location of the structure will conform to setback requirements of the Little Flock Zoning Ordinance. I understand granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
